About Life & Learning

Life & Learning @ Ludlow is the name of our adult learning programme which seeks to broaden understanding and initiate debate on theology, social issues and the arts.

The programme offers a range of opportunities for study and learning. It is intended to stimulate the interest of people of faith who want to reflect deeply on how their faith impacts on their engagement with the world around them, and also appeal to those with no strong faith commitment who are interested in exploring the Christian perspective on contemporary issues.

Arranged by the Parish Church of St Laurence, Ludlow, (a member of Churches Together Around Ludlow) the events are open to all people from the town and beyond, regardless of religious affiliation.
